CHRISTIAN SCIENCE NURSING CARE ENDOWMENT

SOUTHERN CALIFORNIA

DIRECTORS

November 1, 2011

President

Dear Friends:

Nancy Ward
Vice President

Love is wonderful! Don't we all work daily to feel more of it and express it better? Nothing else has such a positive, lasting, and transformative effect on our lives. It makes us feel heavenly, sound, peaceful, and satisfied. This love, or light of God, can outshine any picture that argues problems are possible, and thus proves that Love alone answers every need.

Joan Jordan
Treasurer

Leslie Moreau
Secretary

Of the many forms love can take, it is often the care and provision we give and receive from our families which are most important. This family love naturally includes our larger church family—our brothers and sisters in Spirit. The Christian Science Nursing Care Endowment (CSNCE) supports this expansive view of family and is a vehicle that enables us, as individuals, associations, or congregations, to financially assist with the care needs of those who are seeking spiritual answers to the belief of physical challenges.

Nursing care costs, and the ability to pay for them, are an issue all over the world—whether they are incurred for medical or spiritual care. While spiritual care is relatively less expensive than the medical, the bills can often be beyond the scope of what many people can afford. But when we grow our donations as a group through the Endowment—whether we give “a widow's mite” or a larger sum—all of it becomes a lasting financial gift. Every dollar donated is added to the principal. Only the interest generated is used to help pay Christian Science nursing care bills for low-income Southern California Christian Scientists who meet the eligibility requirements.

To date, over \$1,159,007 has been paid out since 1997 towards bills for nursing care, and today the Endowment stands at \$2.7 million. That's a wonderful start along the way to our goal of reaching \$20 million, which would allow us to more adequately fund the needs of all those who apply.

As the year 2011 comes to a close, we hope you'll participate in CSNCE's mission to care for our church family, minister to the needs of our brothers and sisters, and grow in love in the process! Each donation is sincerely appreciated, and of course the best gift of all is your prayers to see that every human need is already met by Divine Love.

Sincerely,

John H. Bryant
President
